

Reaching out to all the original junglist as we bring through one the biggest Ragga Junglist in the scene.

JACKY MURDA

Barcelona Spain

Chopstick Dubplate // Congo Natty // Little Island Records // Jing Bong Ting // Itchy and Jacky

Fresh off of working on the new Congo Natty album due to be released soon as well as remixes for Top Cat and working on the new release for General Levy on Mad Professor's label. Jacky Murda is making waves with his Chopstick Dubplate imprint originally in New York where he would cut dubs for some of the biggest dancehall and reggae artists. He has made a name for himself in the ragga jungle community and a home for himself in Barcelona Spain where he has taken his sound all across Europe playing the biggest Bass festivals like Outlook and Boomtown Fair with his unique Ragga inspired Drum and Bass and Dubstep. This is one you won't want to miss.

ARQER & REALTIME

<Victoria & Houston
